2021 NEVADA ANNUAL HOUSING SUMMIT SAVE THE DATE

October 27 | October 28 | October 29
HYBRID: In-Person and Virtual Options

We are in the beginning phases of planning our annual statewide housing conference for 2021. If you were a part of last year, you know the great success we had and in fact, the summit outcomes have impacted our ongoing efforts. You can check out our [Interactive 2020 Final Summit Report](#) [HERE](#).

Secure your sponsorship early this year and be part of the initial promotions. There are still a lot of unknowns with location and format, but rest assured, the Nevada Housing Coalition Planning Team will put on a world-class event regardless of the platform.

MONTHLY LUNCH & LEARN WEBINARS

This series of 45-minute educational convenings kicked off successfully in March 2021! We had over 100 live participants and 165 registered guests. Experts in their field discuss relevant and timely affordable housing topics.

STATEWIDE WEBINARS ON DEMAND

One of our most popular events, these webinars help bring forward timely and relevant information for Nevada housing stakeholders across the state. Attendance on average is over 200 live and 240 registered.
